

***Muhammad Mosque No. 36***

As-Salaam Alaikum (Peace be Unto You)!

January 24, 2021

Dear Friend & Longtime Supporter,

We pray that you and your family are in the best of health and spirit!

Every year, members and supporters of the Nation of Islam give the Honorable Minister Louis Farrakhan a financial gift as an expression of our gratitude and personal appreciation for his nearly 66 years of dedicated service uplifting our community and humanity. This gift is entitled the ***Saviours' Day Gift***. As a leader and distinguished individual, you have a special opportunity to help Charlotte achieve something that has never been done before: ***Becoming Number 1 in the Nation in the Saviours' Day Gift!***

Muhammad Mosque No. 36, located here in the great City of Charlotte, is currently ranked amongst the Top 10 cities in the entire Nation of Islam for our 2021 Saviours' Day Gift Drive! Charlotte has never placed in the Top 10 of the drive, and our goal this year is to finish in first place! It would be a monumental distinction and honor for the city of Charlotte. However, to accomplish this mighty feat we are appealing to you for your assistance to share the donation link [Cltsdq.com](http://Cltsdq.com) with those in your distribution list whom you feel will support this worthy endeavor. All donations through [Cltsdq.com](http://Cltsdq.com) goes solely and directly towards the Saviours' Day Gift.

In closing, we know that your assistance and financial contribution will help The Honorable Minister Louis Farrakhan continue this great work given to him by His Teacher, the Most Honorable Elijah Muhammad.

Thank you for taking the time to read this brief letter, and thank you in advance for your support. May Allah (God) continue to shower you with His many blessings and gifts!

Sincerely,

***Student Minister Corey Muhammad***
